Hospital Visits

We are honored to support you and your family during times of illness by visiting the hospitals. Rarely do UMass (Lake Ave.) or Memorial Hospital provide any information about patients' religious affiliation. So we are entirely dependent on information we receive from family or friends. St. Vincent's records are excellent and provide information in a timely way. Please call the rectory to advise us that someone is in the hospital so we can visit that person.

National Prayer to End Infanticide

The U.S. Senate failed to pass the Born-Alive Abortion Survivors Protection Act—legislation that prohibits infanticide by ensuring a child born alive following an attempted abortion would receive the same care to preserve her or his life and health as would be given to any other child born alive at the same gestational age. Join Catholics across the nation in prayer to end infanticide: **"Jesus, Lord of Life, transform the hearts of our elected leaders to recognize that infanticide is wrong and must not be tolerated. We especially pray for our senators. Open their hearts and minds to recognize and defend the precious gift of every human life."**

Project Rachel

Project Rachel is the Church's Ministry of healing and reconciliation to those who have been wounded by abortion. Call 508-791-HOPE (4673). All calls are safe and strictly confidential. Visit www.hopeafterabortion.com to learn more. There is hope for your future.

Visitation House Baby Bottle Drive continues through June 16

Baby Bottles for donations to Visitation House in Worcester will be available at both churches from Mother's Day, May 12 to Father's Day, June 16. Bottles with your donations should be returned by Sunday, June 16.

Visitation House is a home that welcomes women with crisis pregnancies in the spirit that provides physical and emotional assistance. By providing safe housing, healthy food and the support of a caring staff, we seek to address the needs of pregnant women who want to choose life for their babies but feel that they have no means or resources to do so on their own. Recognizing that women are in a| special way called to preserve and nurture authentic human culture through their life-giving capacities, both physical and emotional, Visitation seeks to foster and promote the culture of life.

WORD OF LIFE—May 19

"Patients need to be able to trust their doctors to always care for their lives and never deliberately cause death… Patients facing serious illness may feel hopeless and depressed, as though their lives have lost meaning. Addressing psychological, emotional, and spiritual problems is essential to palliative care. Assisted suicide alleviates none of these problems, but gives in to them."

USCCB Secretariat of Pro-Life Activities "Killing the Pain, Not the Patient: Palliative Care vs. Assisted Suicide"

Fraud Alert: Scammers in Emails Pose As Pastors, Ask Faithful To Buy Them Gift Cards

Scammers have taken aim at pastors, parishes and even bishops in dioceses all over the country in the past few months. Even our pastor here was not immune. In the past few months, someone has created email accounts using Fr. Dan's name and sent messages asking for gift cards.

The Federal Trade Commission and Office of the Attorney General have sent out alerts about scams like these. Priests and pastors will NEVER email parishioners looking for gift cards and would never send a business email from a private account such as AOL or GMAIL. The bottom line is that people should always verify in person or by phone any request involving money or personal information. Email and text messages are convenient, but are anonymous and easily created by crooks.

MASSACHUSETTS CITIZENS FOR LIFE

Say NO to Expanded Abortion Access Anti-Life Provisions in S.1209

It is critical that we stand in solidarity against this bill, which would expand & promote abortion, removing all safety nets & waiting periods.

S.1209 will endanger our women, our infants, and our children by:

- making it legal to kill or let die a baby born alive on an abortion table
- re-allocate your tax dollars & Healthy Start Funds to abortion providers
- eliminate parental consent & judicial supervision for 13 or 14 year old girls taken to abortion clinics, leaving them prey to sex predators and trafficking

eliminate the regulation that women undergoing the grisly 3 -day late term abortion procedure be treated in a hospital
What can you do?

Please sign up for updates & action alerts at our friends MassCitizensForLife.org/JOIN

Call and write your legislator, telling them you oppose this grisly bill, which both sides of the abortion debate believe is extreme.

You can easily look up your local legislator by going to MassCitizensForLife.Org/find-my-legislator-ma
